

# UNN CBT Examination Timetable – Status Summary

Compiled from the official University of Nigeria, Nsukka website (unn.edu.ng) · August 26, 2026

## 1. What Exists on the Official Site

The UNN news feed (unn.edu.ng/feeds) lists a post titled “**2025/2026 FIRST SEMESTER CBT EXAMINATIONS TIMETABLE**”, published **April 9, 2026**. This is the only CBT timetable currently published for the 2025/2026 session.

## 2. Confirmed Excerpt (from the homepage preview)

| S/N | Client | Dept.   | Course  | No. of Students | Exam Date/Time       | Venue                  |
|-----|--------|---------|---------|-----------------|----------------------|------------------------|
| 1   | UNN    | History | HIS 131 | 400             | 20-04-2026, 9am–10am | Nnamdi Azikiwe Library |
| 2   | UNN    | History | HIS 201 | 400             | 10am–11am*           | Nnamdi Azikiwe Library |
| 3   | UNN    | History | HIS 361 | —               | 20-04-2026*          | —                      |

\* Row 2's source date appeared as "20-04-2023" on the site, likely a typo for 2026 (times/rows list sequentially starting 9am). Only the first 3 rows are visible — the full table (127+ rows in past years) is not visible in this preview.

## 3. Why the Full Table Could Not Be Retrieved

• Opening the actual timetable post (both its friendly URL and its numeric-ID URL) redirects back to the UNN homepage instead of showing the article.

• UNN's own WordPress REST API returns “Invalid post ID” for this post, and its search index only returns results up to 2023–2024 — it has not been updated with 2025/2026 content.

• This points to a data/sync issue on UNN's live website (the homepage feed is rendering cached content that the underlying database no longer serves), not a retrieval problem on this end.

## 4. Second Semester Timetable

**No 2025/2026 Second Semester CBT timetable has been published yet.** The most recent related post found (April 28, 2026) was still batching students for a *First Semester* course exam (CBT-COS 101) scheduled for May 8, indicating First Semester examinations are still in progress and Second Semester has not begun.

## 5. Recommended Next Steps

• Check the student portal directly: **unnportal.unn.edu.ng** — departmental CBT batching notices are usually posted there and stay current even when the news page breaks.

&bull; try unn.edu.ng in a few days; this looks like a temporary sync glitch that may resolve on their end.

&bull; contact the Examinations Office directly for the authoritative, complete timetable.
